

TOBY TRUSLOVE

Best described as the 'go to' comedic actor on Australian television Toby is a favourite guest on panel, improv and quiz shows such as ***Randling, The Unbelievable Truth, Tractor Monkeys*** and ***Thank God You're Here***. He was a regular team captain on ***The Slide Show*** and appears this year as host on SBS's ***The Australian Eurovision Quiz Contest***.

His lead performances in television comedies ***Laid, Outland, The Stange Calls*** and telemovie ***Scumbus*** along with theatre productions; ***The Cherry Orchard*** (MTC), ***Private Lives*** and ***Strange Interlude*** (Belvoir Street) as well as upcoming turns in ***The Speechmaker*** (MTC) and ***Children of the Sun*** (STC) have kept him very busy.

When time permits however, he is a sought after host and MC in the corporate arena. As a talented improviser, the role of MC is a natural fit for him. His humour, charm and professionalism have been described as "incredibly accessible across various demographics" and his experience from co-host at Splendor In The Grass to nationwide events for Canadian Tourism Commission attests.
